Henderson Middle School's Campus Improvement Team voted for a dress code for all middle school students. There are many positive reasons for a school dress code, including:

- A dress code encourages students to express their individuality through personality and academic achievements, not outward appearances
- A dress code puts the focus on academics, not fashion, because they project a neat, serious, businesslike image
- Schools with dress codes have fewer discipline problems because students aren't distracted
- Dress codes can be less expensive
- Dress codes eliminate the visible differences between needy and wealthy children
- Dress codes eliminate pressure to wear brand name clothing, "gang colors," etc.
- Dress codes create a sense of school pride and belonging
